

Looking for a WILD summer adventure?

Summer Safari is sure to make memories that will last a lifetime! Explore themes through hands-on experiments and crafts, go behind the scenes at the zoo, meet animals up close, and make new friends.

All camps are 9 am to noon and include a snack. Campers should register for the grade they will complete in spring 2024.

June 3rd – 7th

Wildlife Engineer 1st and 2nd

Designing an animal can be as easy 1, 2, 3! Join us as we explore what makes animal groups unique and design our own animals.

Copycat 3rd and 4th

Why reinvent the wheel!? Explore nature's amazing adaptations and how humans have copied these wonderful designs.

June 10th– 14th

Wildly Different 1st and 2nd

Lions and jaguars and bobcats, oh my! The animal world is made up of similar, but wonderfully diverse critters, help us sort out what makes animals unique.

All Tied Up 5th and 6th

Grab on and try to untangle the knotted world of food webs. Will we straighten out the knot or discover something more complex?

June 17th– 21st

Mornin' Sunshine Kindergarten

From helping plants to grow to keeping us warm, we'll shine a light on the important role the sun plays for our planet.

Draw-n to Nature 5th and 6th

Doodle, build, sketch, or photograph; no matter your interest you can use your art to inspire others. Join us as we explore different ways artist have inspired conservation action through their creations.

June 24th– 28th

Jurassic Zoo 1st and 2nd

Did you know that "roar" in dinosaur means fun? Camp days will be full of fun as we discover the amazing animals that once called our planet home.

Gross-ology 3rd and 4th

Fascinated by the weird? Obsessed with the slimy? Then this camp is for you! Join us as we explore the wonderfully weird that nature has to offer.

July 8th– 12th

Water, Water, Everywhere! 1st and 2nd

From droplets to oceans, water is a powerful feature of our planet. We'll dive into its wonders and explore the wildlife that calls it home.

Ecosystem Explorer 3rd and 4th

Ecosystems are complex features of our planet; we need someone who is ready for adventure and not afraid of a challenge to help discover more. Are you our next Ecosystem Explorer?

July 15th– 19th

Wild for Story Time Kindergarten

Stories will come alive as we connect the characters to their real life counterparts in nature and at the Zoo.

Jr. Zoo Keeper 7th and 8th

Do you have what it takes to be a Zoo Keeper? We'll explore all aspects, the fun and the dirty, of caring for wildlife during this hands-on week of camp.
