## Pave the Way for Fun, Music, and Education at the Festival Plaza

### Commemorative Engraved Bricks

As we begin these exciting renovations to the stage and entertainment area, we want to share with you this opportunity to be a part of the rich history of the Alexandria Zoo. As a lasting tribute, your personalized brick will be permanently installed in the Festival Plaza. With your contribution, the plaza will become a centerpiece landmark for fun, music, and education at the Alexandria Zoo.

The Pave the Way program is designed to give you a unique opportunity to show your support for one of Central Louisiana's most beloved and important institutions. Be recognized as a donor to the revitalized entertainment area by purchasing a commemorative brick inscribed with your name, family, group, class, or business. You can even commemorate a special event, remember a loved one, or celebrate a milestone... the possibilities are endless!

### Inscription Information

- You must complete an inscription for each brick you purchase.
- Punctuation and blank spaces are counted as characters.
- You can inscribe anything you'd like, as long as it is family-appropriate and fits in the allotted 18 spaces per line.
- You can use any characters on the keyboard, so consider using "&" instead of "and" to save space, or separate names with dashes instead of a comma and space. Unfortunately, if the character you want isn't on a regular keyboard, we are unable to inscribe it on your brick.
- Inscriptions on this form will be automatically centered on the brick.
- Make sure to double-check your form. FOTAZ is not responsible for spelling errors.
- FOTAZ reserves the right to refuse any submission it deems unsuitable for the purposes described in this offer.
